TRAINING SEATING / SIX PHOTOGRAPHED REFERENCES

Realm Training Chair

An armless training chair with a shaped back, upholstered seat pad and four-leg mobile base for shared learning rooms.

This overview shows the red armless four-caster chair. Pages 2-7 identify each photographed base and accessory combination separately. Reference names are not confirmed commercial SKUs.

Prepare your project brief

State the required configuration, quantities, destination, room use and preferred finishes. Confirm commercial SKU, materials, dimensions, mechanism, packaging and delivery terms before ordering.

REALM / PHOTOGRAPHED OPTION

Red / four-caster frame

A red shaped back and matching padded seat on a white four-leg frame. Individual casters are visible at each leg, and the armless profile keeps the seat open from the side.

Back: Red with a lower opening

Seat: Red padded seat

Base: White four-leg frame with four casters

Arms: Armless

State your room layout, chair quantity and preferred finish. Confirm the required caster specification before ordering.

Prepare your project brief

State the required configuration, quantities, destination, room use and preferred finishes. Confirm commercial SKU, materials, dimensions, mechanism, packaging and delivery terms before ordering.

REALM / PHOTOGRAPHED OPTION

Grey / fixed four-leg frame

An unpadded grey seat and back with a lower back opening. The side photograph shows a white four-leg frame ending in floor glides rather than casters.

Back: Grey with a lower opening

Seat: Unpadded surface shown

Base: White fixed four-leg frame

Arms: Armless

Confirm floor-glide requirements, colour and quantities for the selected room layout.

Prepare your project brief

State the required configuration, quantities, destination, room use and preferred finishes. Confirm commercial SKU, materials, dimensions, mechanism, packaging and delivery terms before ordering.

REALM / PHOTOGRAPHED OPTION

White / sled frame

A white unpadded seat and back on a slim, continuous sled frame. The front and side photographs distinguish its base from the four-leg configurations.

Back: White with a lower opening

Seat: Unpadded surface shown

Base: Metallic-looking sled frame

Arms: Armless

Specify the required frame finish and floor protection. Stacking limits remain subject to confirmation.

Prepare your project brief

State the required configuration, quantities, destination, room use and preferred finishes. Confirm commercial SKU, materials, dimensions, mechanism, packaging and delivery terms before ordering.

REALM / PHOTOGRAPHED OPTION

Blue / five-star caster base

A dark blue back and padded seat mounted above a central column and white five-star caster base. A control lever is visible below the seat; its function and adjustment range must be confirmed with the selected specification.

Back: Dark blue with a lower opening

Seat: Blue padded seat

Base: White five-star caster base

Arms: Armless

Confirm the seat-height range, mechanism and caster specification for the planned table height.

Prepare your project brief

State the required configuration, quantities, destination, room use and preferred finishes. Confirm commercial SKU, materials, dimensions, mechanism, packaging and delivery terms before ordering.

REALM / PHOTOGRAPHED OPTION

White / writing tablet and lower platform

A white back and coral-coloured padded seat with a side-mounted writing tablet. The front and rear photographs show a central seat column, a perforated lower platform and four casters.

Back: White with a lower opening

Seat: Coral-coloured padded seat

Accessories: Writing tablet and perforated lower platform

Base: Four-caster frame with central seat column

State writing-tablet requirements and room layout. Confirm tablet handedness, adjustment, load capacity and seat-height range before ordering.

Prepare your project brief

State the required configuration, quantities, destination, room use and preferred finishes. Confirm commercial SKU, materials, dimensions, mechanism, packaging and delivery terms before ordering.

REALM / PHOTOGRAPHED OPTION

White / mobile frame with storage rack

A white back and coral-coloured padded seat on a four-leg mobile frame. A grid rack sits beneath the seat, visible in both the three-quarter and side photographs.

Back: White with a lower opening

Seat: Coral-coloured padded seat

Accessories: Under-seat grid rack

Base: White four-leg frame with four casters

Confirm rack dimensions, permitted load and caster requirements for your training-room package.

Prepare your project brief

State the required configuration, quantities, destination, room use and preferred finishes. Confirm commercial SKU, materials, dimensions, mechanism, packaging and delivery terms before ordering.
