UNI / OFFICE SEATING

Black / fully upholstered

Front view

Alternate front angle

A black-frame Uni with a continuous upholstered back and seat. The open rear frame, padded arm surfaces and five-star caster base keep its silhouette clear from the front and side.

UNI / OFFICE SEATING

Black / mesh back

Front angle

Rear angle

An open mesh back paired with an upholstered seat and black frame. The rear view shows the partial upholstered back panel and the support frame, so the finish can be compared with the fully upholstered version.

UNI / OFFICE SEATING

Grey / mesh + upholstered panel

Front angle

Rear angle

A light-frame Uni with grey mesh and an upholstered seat. The rear photograph shows the partial back panel and separate lumbar support; these are the details of this photographed configuration, not a promise for every Uni variant.
